Item 122a – Email from a Fernwood Resident to Fernwood Parish Council

17/8/22

I have had an email today from the planning dept saying welcome break are asking to open up before the roadworks are done ( as they'd messed up getting it in early enough) I hope the council will help by objecting to this, it will become even more dangerous for pedestrians and kids, potential road accidents when cars queue to enter PLUS when they do start the roadworks the local residents will be shafted again with all the extra traffic it will create using the facility when the traffic control lights are up.

Regards
