NHS COVID-19

Protect your loved ones

The official contact tracing app for England and Wales

Three smartphones are shown, each displaying the NHS COVID-19 app interface. The screens show a green checkmark and the text 'Your app is active and scanning'.

Know if you have been exposed to coronavirus

A smartphone screen displays the NHS COVID-19 app. At the top, it says 'LDB area risk level is LOW'. Below that, a large green checkmark is surrounded by the text 'Your app is active and scanning'. At the bottom, there are three buttons: 'Venue check-in', 'Report symptoms', and 'Read latest advice'.

Receive updates on the risk level in your area

A smartphone screen displays the 'Risk level' section of the NHS COVID-19 app. It shows a map of the area with a green location pin. Below the map, it says 'LDB area risk level is LOW'. Underneath, there is a paragraph of text: 'Normal coronavirus (COVID-19) control measures are in place and you should continue to stay alert. It is important you continue to follow the latest official government guidance, helping control the virus. To protect yourself and others, when you leave home you must:'.

Easily check into venues with the QR code scanner

A smartphone screen displays the 'Successful check-in' message from the NHS COVID-19 app. It features a green checkmark in a circle. Below that, it says 'Successful check-in' and 'Fernwood Village Hall'. The date and time are '24 Sep 2020 11.00'. At the bottom, there is a thank you message: 'Thank you for scanning. You have now checked in! You'll be automatically checked out at midnight or when you scan another official NHS QR code.'

Fernwood Parish Council

Welcome

Welcome to the second edition of the Fernwood Gazette. Our lives changed significantly as the last issue was distributed and the VE Day celebration which we had planned for May had to be cancelled. The lockdown has given us more time to appreciate the lovely village we live in and it has been great to hear of neighbours supporting each other and in the early part of lockdown coming out on Thursday evenings to appreciate the work of the NHS workers.

Our Annual Parish Meeting was cancelled but we have continued to have monthly Parish Council meetings using the virtual platform Zoom which has worked very well. It has been nice to see residents join these meetings. We will continue to have virtual meetings until government guidance changes so look out for the invites on our and other local Facebook pages. The agenda is always published on our website too and now the Parish Clerk is back working from the village hall office, they will be on the Parish Council notice boards at the Village Hall and Goldstraw Lane again.

There is also a public forum at the beginning of each Parish Council meeting (held on the third Monday of every month except August and December when we don't have a meeting). Fernwood Residents are welcome to attend for part or all of these meetings.

Should we go into lockdown again or if there are residents out there who are still shielding, the Parish Council will continue to provide the support as detailed on the opposite page.

Stay Safe

Barry Smith

Chairman

Fernwood Parish Council

* The Parish Council Office, which is situated in the Village Hall, is open from Monday to Friday from 10am to noon.

Help for isolated Fernwood Residents

In light of the current pandemic, the Parish Council will support isolated residents as much as possible.

If you have local relatives/friends or neighbours you trust, exchange telephone numbers and make plans to support each other.

If you don't have anyone who can help you, contact the Parish Council and we will endeavour to get essential supplies to you.

Useful Information

For the latest guidance regarding the Coronavirus visit:

www.nhs.uk

www.gov.uk

These sites have up to date information on what to do should you suspect you may have the virus and guidance on what to do to protect yourself and others.

* In the event that our staff have had to self isolate, there will be a message directing you to a mobile number. Leave a message, repeating your phone number twice and we will get back to you.

REPORT IT! CAMPAIGN

Community Urged to Report Bad Behaviour

Representatives from Newark and Sherwood District Council Public Protection, Nottinghamshire Police and Fernwood Parish Council have met to discuss what is being done to tackle the escalating issues of antisocial behaviour.

The number of calls to the Police is relatively low. We urge you to **Report It**:

**For a crime in progress or emergency, ring 999.
To report a crime or nuisance, call the Police on 101.**

The following actions are being taken to deal with this problem:

1. Individuals identified as being involved with recent problems are being visited by the Police/Antisocial Behaviour Officer. If the people involved continue to offend the enforcement action will be escalated.
2. Patrols by the Community Protection Officer and Police are being increased.
3. The Schools Officer is going into local schools to talk about these issues and the possible consequences.
4. CCTV is being put up to monitor the bus shelter that has been vandalised. There is also CCTV around the village hall.
5. A Police Architectural Technician will be visiting the area to advise on what can be done to deter the type of behaviour that has been experienced.
6. Work is being done with the Youth Service, Neighbourhood Watch Coordinator, Newark and Sherwood District Council, Nottinghamshire County Council and Fernwood Parish Council to help tackle this issue. This includes looking at what can be done to engage with and provide activities for young people.

We cannot promise to resolve the problem immediately but wanted to assure you this problem is being taken seriously.

Please remember to Report It. The idea of the campaign is to advertise the appropriate route to address problems such as noise, rowdy behaviour and other such nuisance.

Terry Bailey, Antisocial Behaviour Officer said 'We feel it is important that residents feel safe and secure in their homes and communities. Residents should feel confident that when they report matters to the appropriate agencies that something can and will be done. The more information provided by residents such as times and dates and descriptions the more chance that agencies have at placing the appropriate resources in place to help solve the problem'.

Fernwood Parish Chairman, Barry Smith, said 'Fernwood Parish Council encourages residents to call the Police when they come across antisocial behaviour. There are often discussions on social media but this is not reflected in the figures the Police and the District Council Public Protection Team have for Fernwood. To tackle these issues, we need to inform the Police or District Council Public Protection Team; social media will not resolve it'

Fernwood Neighbourhood Watch

**REPORT IT!
CAMPAIGN**

Do you care about Fernwood? Do you want it to be a nice, safe quiet place to live? So do we!

If you see a crime, anti social behaviour or a nuisance occurring we ask you to report it to the appropriate authority.

For a crime in progress or emergency ring **999**

To report a crime or nuisance call the Police on **101**

Environmental Nuisance or Anti Social Behaviour Newark and Sherwood District Council ring **01636 650000** (during normal office hours)

For information on Neighbourhood Watch and how to get involved call **01636 613024**

Fernwood Village Hall

Fernwood Village Hall is Covid 19 secure. This means we have a risk assessment in place to ensure we minimise contact and therefore the potential for the virus to spread when users are in the hall. We are registered for the NHS track and trace system.

We cannot host birthday parties due to government requirements on social distancing. Like our Facebook page to be updated on this.

We are open for regular bookings such as exercise classes, dance classes and slimming groups. If you are interested in booking the hall on a regular basis, get in touch.

Free WIFI is available at the hall and we have fixed projectors and screens in both of our halls making us an ideal location for conferences and business meetings.

Please call us to arrange a time that is convenient for you to come and look around and discuss your requirements with us. If you would like to make an enquiry with regard to availability, please complete the form on our website which includes all the required information. Find it at www.fernwood-pc.co.uk. Alternatively email office@fernwood-pc.co.uk or call 01636 613024. **Fernwood residents are eligible for a reduced rate.**

Developments in Fernwood

Housing Developments in and around Fernwood

There are three developers building or planning to build houses on the edges of our village. The planning references are as follows if you want to look these up on the Newark and Sherwood District Council website:

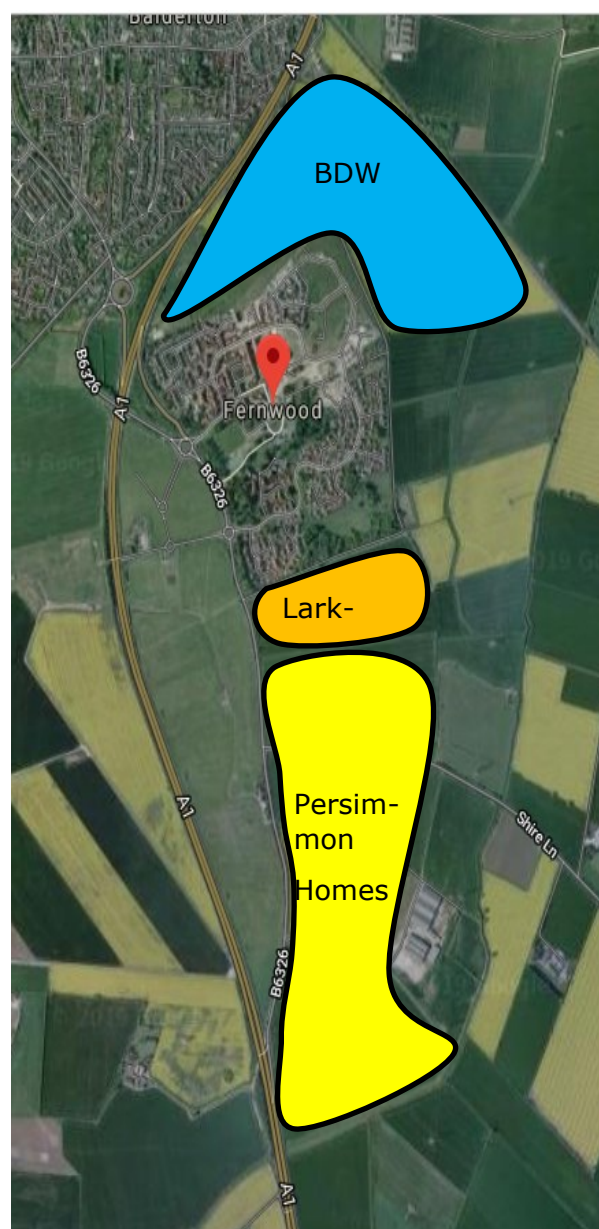

Application number	Developer	Number of dwellings	Location
18/00526/RMAM	Barratt David Wilson Homes	1050	North of Fernwood
16/00506/OUTM	Persimmon Homes	1800	South of Fernwood
17/01266/OUTM	Larkfleet	350	Between Fernwood Central and the

The first twenty homes on the Barratt David Wilson Homes (BDWH) properties have been completed. Occupations started in the Spring — we welcome the new residents to the village. The Parish Council continue to closely liaise with the developers to try to minimise disruption to Fernwood Residents. There are conditions within their planning permission which ensure construction traffic should not be coming through the village. We are keeping a log of issues so please contact the Parish Council office if you see any problems.

Larkfleet are currently working on their reserved matters application. They estimate that work will start on the roundabout at the front of their development next Spring

Persimmon Homes are currently negotiating the Section 106 agreement with Newark and Sherwood District Council. They estimate they will be onsite late 2021/early 2022.

Fernwood Parish Council is working with the District Council to ensure that there will not be a management company maintaining the open spaces in these new developments.

Fernwood Parish Council

About Parish Council Meetings

1. The Full Council meets on the third Monday of each month (apart from August and December when we don't meet). Meetings are virtual using Zoom.
2. These meetings are open to the public so you can see the work of the Parish Council.
3. At the beginning of every meeting we hold a public forum where you can raise issues with the Councillors.
4. Agendas are published approximately a week before the meetings. These are available on the Council's website: www.fernwood-pc.co.uk and Facebook page. They are also shared to local Facebook pages.
5. Draft minutes are usually published a week after the meeting but are not formally agreed until the next meeting.
6. All minutes and the latest agenda can be found on our noticeboards and on our website: www.fernwood-pc.co.uk
7. Often there is a District or County Councillor present at our meetings so if you have any issues about their services, you could raise it with them.
8. Occasionally there is a confidential item on the agenda where observers need to leave the room.
9. The rules the Parish Council follow can be found on our website.
10. Contact the Parish Clerk if there is an issue you want the Parish Council to discuss: clerk@fernwood-pc.co.uk

Your Parish Council

The Parish Council has three main assets in the village: the village hall, the green on Dale Crescent and the dog waste bins. The Council want to take ownership of the open spaces in Fernwood but Barratt David Wilson Homes do not want to hand over the land at this time. We are seeking help from Newark and Sherwood District Council and our local MP to achieve this.

The Parish Council is consulted by local planning authorities on plans in and around the Parish and it liaises with other local councils and developers and businesses involved with the village.

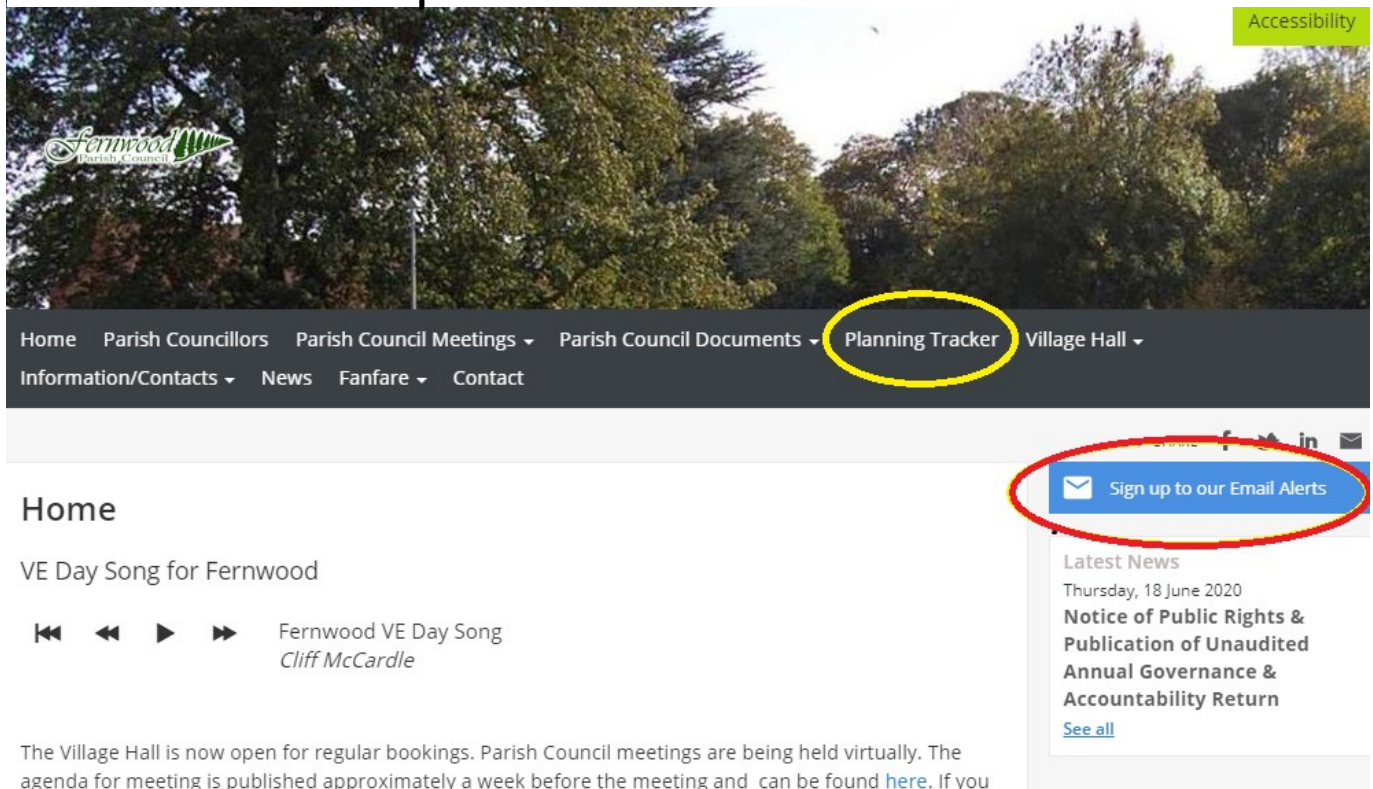

The Parish Council has met with our local MP to lobby the government for better rights for free-holders living in villages with management companies.

Planning Applications

You will not be surprised to hear that there is a lot of development work in and around Fernwood. To be kept up to date on these, we recommend that you use the planning tracker on the Fernwood Parish Council website. You can sign up for email alerts on the right hand side of our home page.

www.fernwood-pc.co.uk

Fernwood Parish Council is consulted regarding planning applications but the decisions are made by Newark and Sherwood District Council. Anyone can write to Newark and Sherwood District Council regarding whether they agree or disagree with an application.

Newark and District Council's planning applications website allows you to search and view detailed information of valid applications submitted to the authority. You can also track the progress and submit comments relating to applications being considered. : <https://publicaccess.newark-sherwooddc.gov.uk/>

Your feedback can also be sent via post or email.

Newark and Sherwood District Council's website has lots of detail about making a planning application, the planning process, how to comment on an application including an overview of valid reasons for objecting to a planning application.: <https://www.newark-sherwooddc.gov.uk/planningapplications/>

Detailed guidance on planning can be found at:

<https://www.gov.uk/browse/housing-local-services/planning-permission>

Have your say

Fernwood Parish Council want to serve all Fernwood residents well. If you have any concerns or want to feedback back to us – please do so here. Alternatively, you are welcome to come to any of our Parish Council meetings which have a public forum at the beginning or speak to our Parish Clerk.

Post your feedback to Fernwood Parish Council, Fernwood Village Hall, Ruby's Avenue, Fernwood, NG24 3RS
